WESTWIND

Capabilities Statement

Founded in 1992, Westwind Computer Products, Inc. provides comprehensive, integrated IT solutions to Federal Government agencies throughout the US and overseas.

With a number of contract vehicles and Small Business certifications, including Minority, Woman-Owned, and HUBZone designations, Westwind helps you make efficient procurement decisions. Westwind is also ISO 9001:2015 certified, follows industry standards for warehouse security, and practices secure supply chain management.

Why Westwind?

Experience.
With more than 25 years serving the Federal Government, the Westwind team is highly adept at navigating the procurement process and delivering effective results, regardless of scale.

Expertise.
Our solution engineers hold certifications from many of the industry's leading technology manufacturers and service providers.

Excellence.
Westwind partners with major distributors to provide our customers with the best products and the most reliable services.
